We STRONGLY OPPOSE this bill. The bottom line is that we are getting killed in the Wai`anae Coast with all these tax increases, while our median income range stays low. Without a living wage increase, we cannot continue to pay higher taxes.

We also oppose this bill on the grounds that we are NOT supportive of the rail, nor do we want any more of our money to be wasted in mismanagement of the rail funds! We would rather have the rail dismantled, than to saddle the grandkids of our grandkids with this never ending cost of a rail system that we were NOT for in the beginning! We ask that you hold or defer this bill.
